CUSTOMIZED SOLAR PANEL SERIES

APPLICATION SCENARIO

CAR & BOAT

SOLAR PANELS

+ INTEGRATED-FRAME SERIES 50 W / 100 W / 200 W

Wherever you travel, wherever the sun shines, GermanSolar's Integrated-frame series allows us to work with OEMs to integrate our source into their existing framework, providing a sleek yet effective charging source.

FEATURES

GermanSolar's Integrated-frame series is often used in automotive, marine, and recreational applications. "The integrated low profile frame design provides reduced wind resistance and better efficiency in mobile applications."
